## Thank You — Here's What Happens Next

Your Evidence Scorecard intake form has been received. Here's what to expect.

### 1. Invoice (within 1 business day)

You'll receive a QuickBooks invoice for \$750 via email. You can pay by credit card directly through the invoice. Our W-9 will be attached to the invoice email for your records.

### 2. Scheduling link (once payment is received)

As soon as your payment is confirmed, we'll send you a link to schedule your 60-minute session with Dr. Schechter. Available times begin the following week, so there's no long wait.

### 3. Expert review (before your session)

Dr. Schechter reviews your study against state and national evidence standards and prepares your written scorecard before your call.

### 4. Your session

On the call, Dr. Schechter walks you through your scorecard live — every rating, every finding, every recommendation. You'll leave with a clear picture of where your study stands and what to do next.

### 5. Scorecard delivered

After your session, you receive the final written scorecard to share with your leadership, board, research vendor, or product team.

#### Questions?

Reach out anytime at [rachel@lxdresearch.com](mailto:rachel@lxdresearch.com). We typically respond within one business day.
