

95 PHONICS CORE PROGRAM

PREVENTING SUMMER SLIDE WITH PHONICS - TITLE 1 SCHOOL

PROGRAM DESCRIPTION

The 95 Phonics Core Program[®] (PCP) brings classroom-ready, evidence-based phonics instruction to the literacy block. In 30 minutes a day, 95 PCP builds critical phonics skills through explicit instruction to develop strong readers, K-5. This study shows how explicit, systematic, and cumulative instruction reduces intervention needs.

ASSESSMENT

ACADIENCE READING

Acadience Reading K-6 was conducted at the beginning, middle, and end of 2020-2021. Students were also assessed at the beginning and middle of the 2021-2022 school year.

Note: Children who did not speak English at home likely had little to no exposure to ELA or phonics skills over the summer.

SCHOOL DESCRIPTION

LOCATION: Lexington, Nebraska

GRADE: Rising 2nd and 3rd graders

SIZE: 316 Students

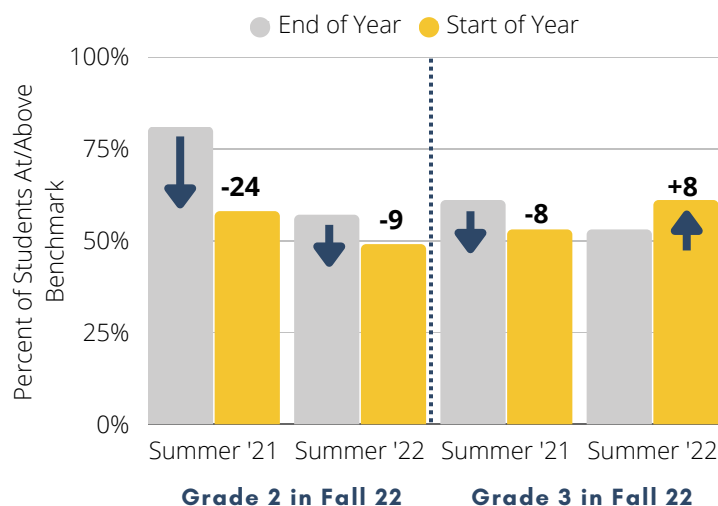

DEMOGRAPHICS:

- 86% Low Income (Free/Reduced Lunch)
- 72% Hispanic | 17% Black | 10% White
- 75% Home language is not English

RESULTS

The summer slide decreased by 63% between rising 1st graders and rising 2nd graders (-24% to -9%) meaning that the rising 2nd graders retained more information than they did the previous summer. The summer slide decreased by 200% for rising 3rd graders (-8% to 8%) meaning that the rising 3rd graders not only retained more information than the previous summer, but also scored higher at the start of 3rd grade than at the end of 2nd grade.
